## **Bachelorette Wineries Party**

If you want to throw a non-traditional bachelorette party, let Il Vino Novello customize your event. A great option is a bachelorette party wineries tour. Wineries are a great spot for a different kind of bachelorette party fun. If the bride-to-be is looking to spend time with her girlfriends, but isn't interested in a night of wild drinking, A Winery Tour might be a great option for the bachelorette party. Wineries often provide many benefits. They are away from the city, in areas with lots of land and beautiful scenery. This is a great place for women to unwind, talk with each other and just spend time bonding as is intended at a bachelorette party before one of the group goes from single to married life. Wineries also have great wines to taste. You can take a Winery tour, do a wine tasting and buy bottles of the ones that you like. Wineries also often are connected to quaint, local restaurants. This gives you an option for dinner.

In addition, you can take a picnic of gourmet foods to the winery. Most wineries have outdoor areas to sit and enjoy the sunshine when the weather is nice. Pack a complete meal, so a wine tasting, buy the wines all the girls like best, and drink them together over your picnic. It will make you feel close to all the girls at the party as you sip wine, talk about the view & bond.

Lots of wineries also have live entertainment on special days, so if you plan the party to coincide with another event you can take in a local jazz band, for example.

Il Vino Novello Co. has put on several successful Winery Bus Tours to Long Island, Hudson Valley, Seneca Valley. Let Susan customize your Bachelorette Wineries Bus Tour. Susan can consult and plan the perfect trip for you or she can provide a guided wineries bus tour.
